

SUPPORT CHILD ABUSE PREVENTION - BUY A PINWHEEL

April, this year and every year since 1985, is **Child Abuse Awareness and Prevention (CAP)** month. This special time each year is to acknowledge the importance of families working together to prevent child maltreatment in all its forms. The blue pinwheel symbolizes the childlike notions of a carefree, happy, healthy childhood, and serves as a reminder of the great childhoods we want for all children.

Pinwheels for Prevention® is a national campaign to create awareness of the role that each of us play in the healthy development and growth.

"The Power of One" is Michigan's state-wide Child Abuse and Prevention Month theme, which asserts that through the power of one person, one community, one voice, and/or one action, everyone can help to protect children from abuse and neglect and build strong families.

One person can make a difference, and it can start with **you!**

During April, Novi Community Coalition (NCC) is joining this nationwide effort to promote CAP effort. Please join the NCC and plant a pinwheel garden of your own. Displaying a pinwheel garden is a visual sign of your commitment to child abuse prevention in our community.

To order pinwheels, please complete the order form below with payment to NCC. When pinwheels arrive, you will be notified of local pick-up instructions.
